## Information

### How It Works

The Dental Program offered is administered by Premier Access Insurance Company, a national carrier and widely accepted dental plan.

What is important to know about your dental plan is that you may see any dentist. Although, there are PPO provider lists available, and the benefits are enhanced if you elect to use either network, you may elect to see the dentist of your choice without penalty. Using the PPO providers, you maximize your benefits and reduce your out-of-pocket costs.

The PPO dentists offer discounted care (about 30%) and the plan normally pays a higher level of benefit when using an in-network provider. Additionally, the PPO dentist cannot "balance bill" you for amounts greater than the contracted rate.

### Out-of-State Network and Claims

The Premier Access Dental network is available to eligible members outside the State of California, with over 100,000 dentists to choose from. A complete provider listing is available on the internet at: [www.premierppo.com](http://www.premierppo.com). It is important that you confirm with your dentist at the time of treatment that they are participating in the Premier Access network. For a dentist near you call 888.715.0760.

Please check your Certificate of Insurance for a description of coverage, limitations and exclusions under the plan. Some services recommend require prior authorization.
